

## **Greenough Scout Reservation Facilities Rules & Regulations**

The leader in charge must check in at the Ranger or Camp Master residence immediately upon arrival. The leader is required to notify the Ranger or Camp Master before departure to perform an inspection of the area used before the group leaves.

The principles of the Scout Oath and law are the general rules of the camp. Specifically, each unit is responsible for abiding by the following:

1. Building and grounds must be left clean and all trash removed. Use the dumpster adjacent to the Dining Hall.
2. All vehicles must park in designated areas, limit of two (2) vehicles per site.
3. No live trees may be cut.
4. Smoking in buildings, use of alcohol or drugs on Council property is prohibited.
5. All units are responsible for property damage.
6. No trespassing in buildings or campsites other than those authorized in application.
7. No firearms of any kind in camp.
8. Only with qualified adult supervision and permission of the Ranger or Camp Master swimming, boating, fishing, or skating is permissible at Greenough Pond (for fishing a Massachusetts fishing license is required).
9. Report any emergencies requiring community services or injuries requiring medical attention to the Ranger or Camp Master.
10. Fires must be carefully supervised and extinguished before leaving the site.
11. No pets.

***Attention: Leaders in charge are responsible for sharing and enforcing these regulations.***
