

# PROJECT NORTH STAR 2009

*An exciting day program from Cape Cod & Islands Council, Boy Scouts of America, specifically for boys 11-12 years old.*

**Overview:** *BSA programs are designed to build leaders through outdoor experience and challenges emphasizing team and individual achievement.*

**Schedule:** *Monday - Friday, 9:00 AM to 4:00 PM. July 6 through August 14 2009. Program will include one over-night campout each week.*

**Structure:** *Participants will be organized into Patrols. There will be a maximum of 24 scouts in the program allowing for 3 patrols of 8 scouts. Each week the Patrol will elect a Patrol Leader. Activities and projects will be done as patrols.*

**Program:** *The North Star program content will be based on the outdoor requirements for Tenderfoot through First Class. Additional opportunities will be included such as kayaking, climbing, shooting, cooking, fire building, and pioneering. Parts of the Troop Junior Leadership program will be incorporated. Bringing in "program consultants" such as Natural Resources Officers, will also enhance the program.*

*The program will be planned so advancement is a natural outcome of the planned activities. Example: if we are going to teach knot tying then there will be an activity planned that will require the use of those knots.*

**Location:** *Camp Greenough will be the location for most activities. We will dedicate the Wampanoag campsite to this program. This location is relatively close to the main part of camp, but is still isolated from the Cub Scout Day Camp. Of course the nature of the program will require travel throughout the camp to use different facilities.*

**Considerations:** *Project North Star is not a substitute for going to summer resident camp with the Troop. A week of summer camp offers many more opportunities and experiences than we can provide. It is a critical part of any Boy Scout's total experience. We strongly encourage you to have your son attend summer camp with his troop!*

**Cost:** *The fee will be \$165 per person/per week. A \$50 per week deposit is required with registration.*

*Payment in full is required by June 15th*
